

The Blood Moons are Over...What Now?

Are we on the verge of war?

Since the Blood Moons, we are asked the same question on a daily basis...

“Now that the Blood Moons have passed and nothing happened, what should we do and/or say?”

Well, I’m not sure that we can say “nothing has happened”. A whole lot has happened not only after the blood moons, but during them as well:

In early 2014, Ebola erupted in West Africa and became a deadly international breakout.

- <http://www.bbc.com/news/world-africa-28755033>

In June 2014, there was the kidnapping of 3 Israeli teenage boys resulting in the war in Gaza.

In September 2014, Islamic militants kidnapped and beheaded a tourist, bringing ISIS to the front pages.

Look at all the terror attacks that have happened since the Blood Moons. We are hearing stories of stabbings, shootings, and car ramming that are becoming a daily occurrence in Israel. In fact, there have been over 3,000 attacks in Israel in the past 3 months!

- Meir Pavlovsky, 31, was stabbed in the stomach and back by a terrorist

We also see terror attacks in Paris, California, Indonesia, and many others. The economy is crashing in China, the United States, and Japan. Law enforcement is becoming a target, riots and looting is becoming a regular occurrence, and Muslim “refugees” are running rampant. Despite all that, my focus here is the three remaining biblically prophetic wars.

We see that Russia has started attacking Syria. In fact, while on Mount Bental in Israel, we witnessed one of these attacks as bombs were dropped in Syria/Damascus on October 4, 2015.

So are we on the verge of a war? It's possible...Pastor Mark Biltz explains in his *Blood Moons: Decoding the Imminent Heavenly Signs* documentary:

"So what is the other pattern that we see that these eclipses could portend? Well it's the obvious one.

What did we have in 1948? A Biblically Prophetic war.

What did we have in 1967? A Biblically Prophetic war.

So what could possibly happen sometime between 2014 and 2015? (And I'm not setting dates. It could happen anywhere within these next 2 years we are in right now.) We could see a Biblically Prophetic war.

There are 3 that I know of right off the tip of my tongue.

-You have the Isaiah 17 War where Damascus is destroyed. Look at what's going on in history right now around Syria and the Rebel Army and the fighting that's going on and the chemical weapons that are there. Not only that, you have the biological weapons. In Isaiah 17 it says Damascus will be obliterated and uninhabitable as a city. That's never happened before in the history of Damascus.

-The Ezekiel 38 War is the Gog/Magog War. This is where all the nations come against Israel at once.

-The Psalms 83 War is smaller. It's more specific where there are certain Arab nations that are surrounding Israel that are coming against them.

And so I believe that what we are seeing here with these Solar/Lunar eclipses, these Blood Moons, are telling us that these next 2 years, (and I'm not saying any particular day or any particular date) but I believe strongly in the next 2 years we could defiantly see a global war, especially involving Israel, as well as economic collapse." (41 minutes into the DVD)

We see that Russia and the U.S. are both attacking Syria, however neither are claiming that these countries are working together. Russia has been using air strikes, while the U.S. is using ground troops.

However, we do know that Russia has brought Cuba into the fight.

Are we on the verge of the Isaiah 17 War?

Is Damascus going to be destroyed and become uninhabitable? According to drone footage, Damascus is becoming a heap of rubble...

- <https://www.youtube.com/watch?v=oLYI2jap2mY>

“The burden of Damascus. Behold, Damascus is taken away from being a city, and it shall be a ruinous heap. The cities of Aroer are forsaken: they shall be for flocks, which shall lie down, and none shall make them afraid. The fortress also shall cease from Ephraim, and the kingdom from Damascus, and the remnant of Syria: they shall be as the glory of the children of Israel, saith the LORD of hosts.”

Isaiah 17:1-3

Are we on the verge of the Ezekiel 38 War or the Gog/Magog War?

“And the word of the LORD came unto me, saying, ‘Son of man, set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him, And say, Thus saith the Lord GOD; Behold, I am against thee, O Gog, the chief prince of Meshech and Tubal: And I will turn thee back, and put hooks into thy jaws, and I will bring thee forth, and all thine army, horses and horsemen, all of them clothed with all sorts of armour, even a great company with bucklers and shields, all of them handling swords: Persia, Ethiopia, and Libya with them; all of them with shield and helmet”

Ezekiel 38:1-5

“For in my jealousy and in the fire of my wrath have I spoken, Surely in that day there shall be a great shaking in the land of Israel; So that the fishes of the sea, and the fowls of the heaven, and the beasts of the field, and all creeping things that creep upon the earth, and all the men that are upon the face of the earth, shall shake at my presence, and the mountains shall be thrown down, and the steep places shall fall, and every wall shall fall to the ground. And I will call for a sword against him throughout all my mountains, saith the Lord GOD: every man's sword shall be against his brother. And I will plead against him with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing rain, and great hailstones, fire, and brimstone.” Ezekiel 38:19-22

“The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. The earth shall reel to and fro like a drunkard, and shall be removed like a cottage;” Isaiah 24:19-22

RICHTER SCALE of earthquake energy:

Each level is **10** times stronger than the previous level

Are we on the verge of the Psalms 83 War?

“Thine enemies make a tumult; And they that hate thee have lifted up the head. They have taken crafty counsel against thy people, and consulted against thy hidden ones. They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance. For they have consulted together with one consent: they are confederate against thee: The tabernacles of Edom, and the Ishmaelites; of Moab, and the Hagarenes; Gebal, and Ammon, and Amalek;” Psalms 83:2-7

The modern country of Jordan is the land of Edom, Moab and Ammon.

We know that ISIS is trying to take control of the Middle East. Right now, Jordan has been a able to keep them at bay, but how much longer will that last?

- <http://www.haaretz.com/middle-east-news/isis/jordan/1.688313>

We also see that relations between Israel and Jordan are becoming strained.

Is Jordan starting to view Israel as an enemy? Are they turning their backs on Israel too?

So again, how can we say that nothing has happened? The world is slowly turning its back on God, the Bible, truth, Israel, and sadly its own common sense. We are the preverbal frog in the water. The heat has been slowly turned up and now the world is boiling and bubbling over but so many don't realize that we are up to our eyes in hot water. Many have become blinded to reality and truth. The truth of the matter is we are the terminal generation. Psalms 102:16-18 but it quite clearly "When the LORD shall build up Zion, he shall appear in his glory. He will regard the prayer of the destitute, and not despise their prayer. This shall be written for *the generation to come*: (The last) and the people which shall be created shall praise the LORD." The term there for '*generation to come*' is the Hebrew word **אחרית** 'acharon' meaning 'the last' or terminal. We began to see Jerusalem built up again in 1967. According to scripture, we are in the times of the last or terminal generation. Again, we are not setting dates as to when we will see the return of the Messiah; we are just saying that we need to be prepared, both physically and spiritually. Since the Blood Moons started, we have seen a drastic rise in the destruction, chaos, and hatred in the world. And yet, this is just the tip of the iceberg...There will be more destruction, desecration, loss of life, earthquakes, famine, terror, and much more. But rest assured, we have all read the end of the book (the Bible) and we know who wins in the end!
